**CUSTOMISED  
WATER PURIFIERS.<sup>TM</sup>**

Seventy-one per cent of earth coverage is water. Yet, only 3 per cent of surface water is pure.

Adding to our woe, rapid urbanisation, exploding population, spreading industrialisation Etc., have increased the demand for pure drinking water phenomenally.

What makes the issue complex, however, is the fact that there is no single solution to water impurity, as claimed by many water-purifier brands you know.

Purification methodology suitable for a given location varies from another, depending upon the contents and nature of water and ecological and geological features.

The advantage of Legend Crisp & Clear is that we understand this complexity and handle it comprehensively. We customize our product according to your need.

Legend Crisp & Clear is single solution where there is demand for abundant pure water :  
**Schools, Colleges, Hospitals, Industries, Group Dwellings. Etc.,**

## Vision

To constantly upgrade the product/products in technology through innovation and updation and to open, and remain ahead in, our path and be always respected name in the industry.

## Mission

To offer the best possible options in customised water purifier for the need, so as to be a relevant and sought after brand everywhere.
